Mining the Territory is Northern Australia's leading mining conference taking a deep dive into the region's industry: From exploration & resources development to operation, market & logistics.

This conference is THE focal point for Northern Australia's Mining Community.

Held annually in Darwin as part of the landmark NT Resources Week, this exciting event gives you access to unique networking opportunities and is a fantastic way to connect with regional sector stakeholders, government representatives, resource experts, and Northern Australia's services and supply industry.
