They may contact you directly to confirm your requirements for this event.</p> <p>You may experience other contractors ‘pitching’ you for your business (stand building, printing etc.) and advising you they are a preferred contractor however, unless the company is included in the above recommended suppliers, then they are providing false information.</p>	
SPAM WARNING	<p>List broking companies sometimes email exhibitors claiming to have IHHA & WCRR attendee data. This is false and we advise you to delete this as it is spam.</p>
